SPECTACLES

MAMA SINGT GESCHENKE **DSCHUNGEL THEATRE** AUSTRIA

Mom's voice makes music. Mom's voice sounds soft and gentle, forming the sweetest melodies, which make my eyes glow and gleam. And when mom is making music, her eyes are shining and she spreads her arms like wings.

MALEBABLE

HELENA LIZARI

CATALONIA

A journey in a bubble, through the feelings and senses. Maleable is elastic, soft, moldable, flexible, transformable, consistent and unbreakable. Every show is a journey. Maleable is an imaginary vehicle that stands on stage, and once inside takes you to travel driven by the engine of the imagination.

WHITE
CATHERINE WHEELS
THEATRE COMPANY
SCOTLAND

Welcome to the beautifully strange world of White. Full of birdsong and birdhouses, it gleams and dazzles and shines in the night. Two friends look after the birds and make sure the eggs stay safe. We watch, we help. The world is bright, ordered and white. But high up in the trees, all is not white. Colour appears. First red... then yellow... then blue...

LITTLE NIGHT **IMAGINART** CATALONIA

This show plays with the night, with fairy-tale figures, with humour; it is a bit absurd and surrealistic. Stars that travel with their handbags, men with umbrellas falling from heaven, colourful spots that impregnate everything, a myriad of cars that try to avoid them...

Suggestive images that stimulate the senses and foster children's play, that change their shapes and colours when someone touches them, when they are run after...

ONDERSTEBOVEN **DANSMAKERS AMSTERDAM** HOLLAND

Watch and listen, listen and watch ... A heartbeat. A hand opens and closes. The soft rhythm of a drum. A children's song. Then unexpectedly a jump in the air and a turn. The sound builds up and inspires a swinging dance. Can hands fly as butterflies? Feet laugh or arms sleep? Can a drum cry and a piano giggle?

LOO

PONTEN PIE

CATALONIA

Loo is an asian wind, warm and dry, which blows on summer afternoons, and the show is a revelation of its hard task of pushing the desert sand dunes and devastating the damp areas, jungles and oceans. It leaves the ships paralyzed in the middle of a sandy sea, striking down for ever and ever their chance to sail again. A poetic and inedit evidence, looked at fondly, about how and why does the Loo paralyzes.

MIRAVELLA
COMPAGNIE ACT2
FRANCE

Catherine Dreyfus transports us into a primitive world where the movements and forms take us back to our origins to explore the animal within. In this piece dance is tangible, vibrant, rhythmic, colourful, inviting us on a journey to the edge of a surreal, poetic and wonderfully imaginative world.

CONCERTO PARA BEBES **PAULO LAMEIRO -** **CÍA MUSICALMENTE** PORTUGAL

Paulo Lameiro has been the first person to produce concerts for newborns with the aim of offering an experience of exchange and complicity in which the discovery of live music and silence produce intense and amazing moments. It is the pleasure of music shared among children, accompanying family members and performers. This year Lameiro presents his latest proposal in coproduction with the festival in collaboration with two catalan dancers.
